

***My True and Forever Friend***  
***A thoughtful little story about sickness and dying***

**First in the Soul Buddy Series**

**Publisher's Note**

Maria Gonyea is a warm and caring soul. You feel her kindness and compassion as soon as you meet her.

Maria's book, *My True and Forever Friend – A thoughtful little story about sickness and dying*, is tenderly written and full of light. Her message will touch all ages, and especially help children understand an aspect of life that is often otherwise very confusing and difficult to endure.

*My True and Forever Friend*, first in the Soul Buddy Series, deepens our awareness of the universal, unconditional love that exists when we are open to it, enriching one's spiritual path when we need it most.

Children will be encouraged by this delightful narrative; and they will see how they can use their own imagination and strong, beautiful minds to be *okay* in the midst of sadness and loss.

We at I C Publishing are so looking forward to working alongside Maria as she continues to share her inspiring stories and precious gifts through the Soul Buddy Series and much more.
